

G6700 – Treadmill

ProAction

The G6700 helps the user find their best personal course and level of workout. It features easy access, quick start-up, Pro-Tech cushion system and ultra-reinforced chassis to ensure safe, comfortable training.

Innovative design with an **attractive curved profile S-shaped monitor** with a carefully studied slope for an enhanced view of the display and a more ergonomic posture.

The reliable 5.0HP Green AC motor

Produces speeds of 0.8 to 20 km/h.

Varied training

11 different programs help users to find their best personal course and level of workout. 6 pre-set PROGRAM profiles provide 10 level adjustments for each pre-set program

Pro-Tech cushion system

Pro-Tech cushion system, with 6 cushions to prevent muscle and joint injuries.
